

# STICK THE SPOT ON SPOT

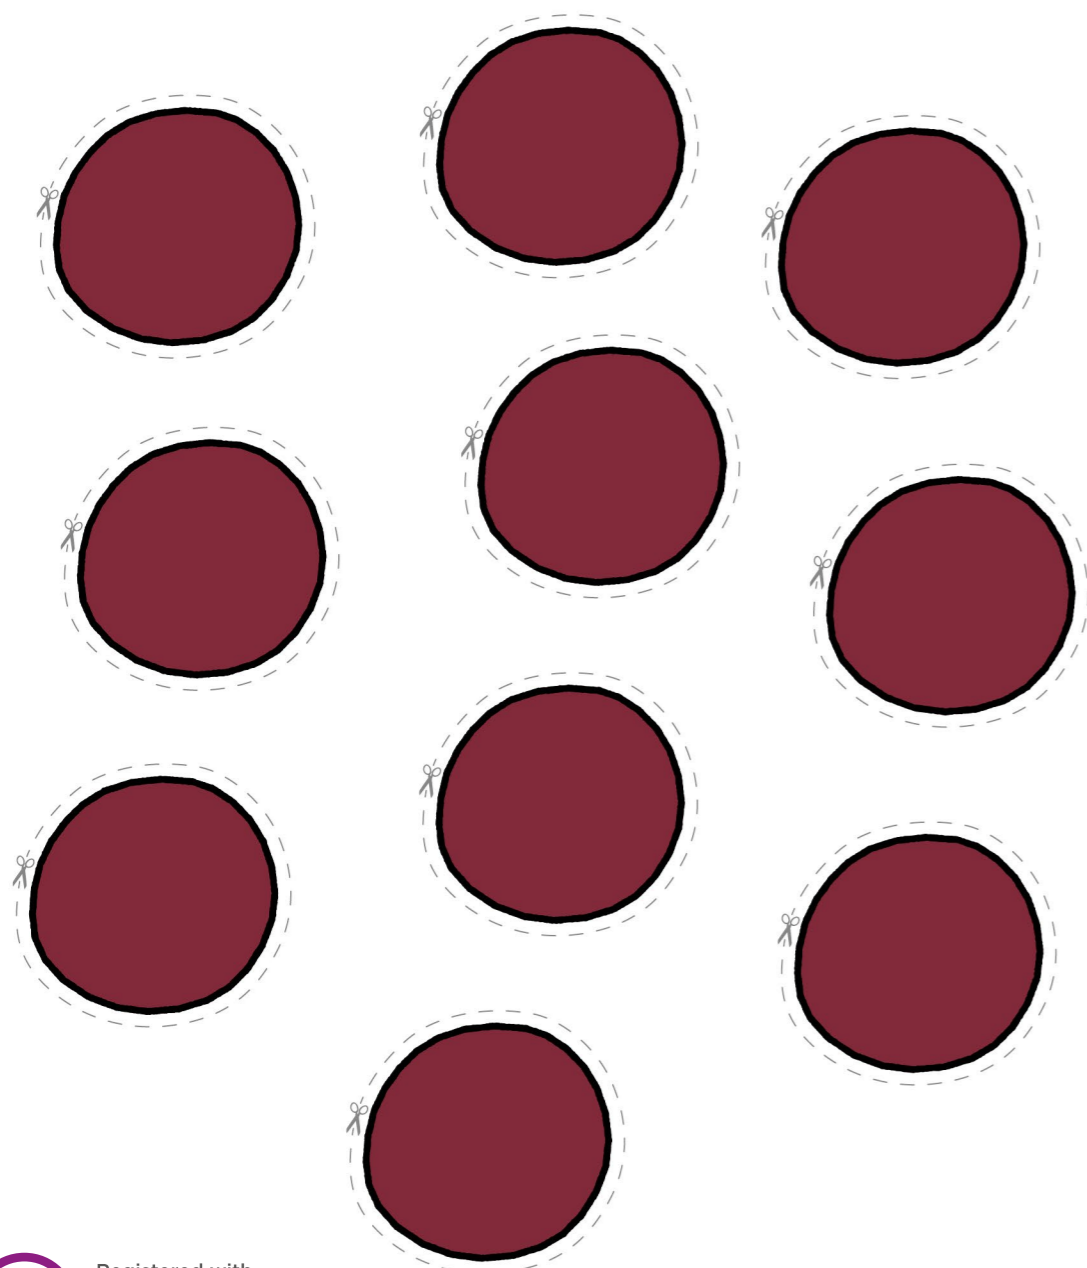

Write your name on a spot, then close your eyes tightly and see if you can stick it in the right place on Spot's side. Take turns to try – the closest spot wins.

## Hello grown-up

Before you start, cut out the spots below, making extras if needed.

Ask parents for a small donation to play, then write each child's name on a spot, pop a bit of tack or double-sided tape on the back and play.

Don't forget to pay in the money you raise at [sportrelief.com/nurseriespayin](https://www.sportrelief.com/nurseriespayin)
